RECORD CROWD ATTEND THE RACES

Schweitzer Ranch Attracted Many Lovers of Sport Last Sunday Afternoon.

The races given at the Schweitzer ranch last Sunday, under the auspices of the West End Racing Club, brought out a record attendance. The avenue was lined with motor cars and a big contingent of horse lovers came over from Petaluma to participate in the day. Cowgirls, as well as cowboys, came over the mountains to match their skill with Sonoma valley's talent, but the girls were disappointed in not finding any fair contenders on this side. The program started with a free-for-all dash, won by Joe Felder on Mule, with Palmer second on Pete, and Offut third on Pat.

The second race went to Louis Felder on Baldy. It was a slow horse race and created lots of amusement. Dewey Wagner was second on Jack and Laymon third on Shorty.

The third race was another victory for the Felder boys, with Heggie second on Molly, and Dowdall third on Queenie.

The fourth event went to Danieli, with Offut second and Louis Felder third.

Chief Wagner brought over some good horses and a bunch of good riders from Petaluma. Wagner has a horse of his own which is about the best all-around trick and wild west performer seen here for a long time.

A big barbecue and race meet for the Fourth of July has been planned. The West End club and its generous patroness, Mrs. Lolita Schweitzer, are busy working out the details.

The new race track is being laid out and work on grading will start the coming week.

Concert and Tag Day June 25th by St. Francis Parish

A concert by a band of thirty-five pieces, fancy swimming and diving exhibitions and other attractions have been announced for the tag day at Boyes Springs bath house and swimming tank on Saturday, June 25, for the benefit of St. Francis parish. Many will find the worthy cause and a record crowd is expected.

The Native Sons and Daughters of Sonoma parlor celebrated Flag Day with a fine social evening of dancing and refreshments.

Mrs. S. Reinbacher of El Verano has returned home after a very delightful visit with her many friends in San Francisco.

BIG DEMONSTRATION FOR HIGH SCHOOL BONDS

Procession Mile Long and Participated in by 500 Boosters for New High School Is Feature of Flag Day.

The boosters for Sonoma valley's new high school staged a wonderfully fine parade and pageant on Flag Day with eighty motor vehicles in the line of march and five hundred participants. There were floats and decorated automobiles of every description. With flags flying and auto horns sounding, a big demonstration was given in favor of the bonds throughout the valley. Some clever slogans decorated the cars, including such pointed phrases as "Good Roads," "Good Schools," "Make the Valley of the Moon Shine," "One Old Mission Is Enough, Build a New High School," "Temporary Makeshift Costs More." An old two-cylinder Franklin car bore the appropriate sign, "The Old School."

The order of the parade was as follows: Faculty in machines, "The Old School" and the new school (the latter represented by a hand-some modern limousine); school departments—domestic science and arts, commercial branches, farm mechanics, industrial arts, sciences, physical education and athletic activities; school organizations, Senate club, Honor Society, Boys' Glee Club and Orchestra. Other participants were the Parent-Teachers Association of El Verano (the Burmaster car in blue and gold and the Merz car with its clever slogan), the ten school districts (including Watnaugh, Huiechen, El Verano, San Luis and Glen Ellen), the Sonoma Business Men's Association, Valley of the Moon Chamber of Commerce, Farm Center and fire departments of Boyes Springs and Sonoma. Many individuals also participated.

The parade was a mile long and attracted an enthusiastic crowd all along the line of march.

Card of Thanks

We wish to express our gratitude and thanks to the friends and neighbors who so kindly aided us during the last illness of our beloved mother, the late Irena Grimmer. For the thoughtful words of sympathy and condolence which brought comfort to us in our hours of sorrow we are most appreciative.

MAE KIERNAN,
LYDIA BLAKEMORE,
CHAS. PERSING,
B. F. FOSTER.

Boyes Springs, June 15, 1921.

YOUNG DANCERS SCORE ARTISTIC SUCCESS

Miss Tamara Lawb's Ballet School Gave Splendid Performance.

It was a rare treat for those who attended the evening's entertainment given by Miss Tamara Lawb, Russian dancer, and her Sonoma ballet school last Saturday night. The dancing and costuming was the best ever seen on a Sonoma stage, Miss Lawb herself being superb and the children remarkably well trained. "The Dollies" number was delightful. Miss Lawb's role being that of the baby who discovered the wonderful dolls in boxes and started them all dancing—Pierrot and Pierot, with their tall caps and fantastic costumes; Marchioness and Marquis in white wigs and colonial garb; the petite Japanese doll in a real costume from Sing Fat's oriental bazaar; all in an appropriate setting. It was a charming conception, beautifully executed. The Dutch dance, appropriately costumed, made a pronounced hit. The Tarantelle (Italian dance), by Countess Prestwood, was heartily enjoyed. Miss Lawb's solo numbers reflected the temperament and showed the training of the true artist.

Miss Emilie Poppe was the accompanist for the ballet numbers, and Messrs. Weber, Wirtz and Mrs. Julius Fochetti were also on the program. The numbers in their order were as follows:

1. Dollies—Baby, Miss Tamara Lawb; dollies—Pierrot, Maxine Hunter; Pierot, Willie Clewe; Marchioness, June Pickett; Marquis, Temple Clewe; Japanese, Virginia Lowell. 2. Violin solo, Mr. Nick Wirtz. 3. Dutch dance, Elizabeth Tucker and Marguerite Cereghino. 4. Valse Triste (Sibelius), Miss Tamara Lawb. 5. Songs, Mr. Henry Weber Jr.; Mrs. L. Fochetti at the piano. 6. Valse Chopin, Miss Elizabeth Arriola. 7. Oriental dance, Miss Tamara Lawb. 8. Tarantelle (Italian dance), Miss Countess Prestwood. 9. Violin number, Mr. Nick Wirtz. 10. Caucasian dance, Miss Tamara Lawb.

The Synchronized Four played for dancing after the program.

Two Daughters of a Sonoma High School Graduate Are Themselves Graduates Now

Graduating exercises were held at Jefferson school, San Francisco, on June 9th, when the following received diplomas: Ruth Lincoln, Janet Lincoln and many others. Mr. Peter Clark Macfarlane, the famous California author, addressed the class and pleased everyone present with anecdotes told in his usual inimitable style. After the exercises the graduates and teachers were entertained at a banquet given them by the Jefferson Parent-Teachers Association. The hall was beautifully decorated in white and green, the school colors. The banquet was followed by games and dancing and a reception given by the ladies of the Jefferson P. T. A. to the families of the graduates. The Misses Ruth and Janet Lincoln are the twin daughters of Mr. and Mrs. Percy W. Lincoln of Eighteenth avenue, San Francisco. Mrs. Lincoln is an alumnae of the Sonoma Valley High School and was formerly Miss Lily Steiger.

SONOMA FIRE ENGINE STOPS FIRE IN GRAIN FIELD

On Thursday a fire swept over the grain field of W. J. Otten, and the Sonoma fire department was called out. The new fire engine did very effective work, the chemical putting out the flames almost instantly. The grain was higher than a man's head and the flames were leaping over the field, fast consuming the fine crop. When the chemical came to the rescue of the owner and the excited neighborhood in the vicinity of lower Broadway. Despite the condition of the streets, torn up by the paving contractors, the engine made good time and gave a good account of itself. Praise is due the fire department and also Emilie Cornelius, who keeps the engine ready for all emergencies. "Gam" gives it "the once over" regularly, inspects the tires, fills the tanks and shines up the trimmings. He certainly knows how to manuever a fire engine.

This is the third fire for the Sonoma department within two weeks, the Clewe fire, a grass fire near Erad's and the one of Thursday, all being controlled in record time by the Waterworks.

Republican County Committee Meets

Sonoma county's Democratic postmasters who were unduly active in the last campaign had better look a "little out"—the Republican County Central Committee is after 'em. At a meeting this week in Santa Rosa the committee voted to demand an investigation of the offending postmasters through Senators Shortridge and Johnson. The committee endorsed the candidacy of Chas. A. Bodwell Jr. for Congress but voted also for a conference of the Republicans of the district to endorse a candidate in the event that more than one name is proposed in the primary election.

Oil Indications on Watrous Ranch Lead to Lease

Sonoma valley is attracting the attention of oil men and promoters, and during the past week an important lease was recorded, whereby Frank Watrous is leasing his fine ranch at Agua Caliente to La Peer, the oil man and capitalist of Kenwood.

Supervisors Allow \$3500 for Farm Adviser

After a stormy session which ran into yesterday before the supervisors, the board finally granted \$3500 for the purpose of retaining the farm adviser of Sonoma county. Sixty-five hundred dollars was asked, as against \$5000 last year.

Bill Fowler Is Heir to Fortune

W. W. Fowler of Glen Ellen has just received word that he has fallen heir to a fortune of \$25,000. The money comes from his father's people in England. The senior Fowler was one of Sonoma's pioneer residents. Lawyers have sought the heirs to the Fowler fortune for the past eight years.

IMPORTANT DEAL

It is rumored that the Dodge ranch known as the Robert Hall orchard, and one of Sonoma's finest pieces of property, is about to change hands. Robert Carter and his sister, Mrs. Evangeline Gardner are buying out the interests of Neal Dodge and his brother.

The commencement exercises will be reviewed in our columns next week.

WILL BE MARRIED TOMORROW AT NAPA

Miss Josephyne Venton and John Wesley Bish to Wed Quietly in the Presence of Bish Family.

Tomorrow, in our neighboring City of Napa, John Wesley Bish, nephew of L. M. Bish of Madrone, will claim as his bride Miss Josephyne Venton, popular and esteemed Sonoma girl. The ceremony will be a quiet one, with only the immediate family present. Miss Venton will wear a becoming suit of dark blue, with hat to match, and will be unattended. A wedding breakfast will follow the tying of the nuptial knot, after which Mr. Bish and his bride will leave on their honeymoon. They will be at home to their friends after July first in the new home recently purchased by the groom at Chico. Mr. Bish is in the paint and oil business in that city and is highly regarded by all who know him.

Miss Venton carries with her the good wishes of a large circle of friends on her leave-taking from Sonoma. She was for some time the accommodating book-keeper at the Maffei market, and in the business world and socially is highly regarded for her many excellent traits of character and pleasant personality.

The Index-Tribune unites with many other well-wishers in hearty congratulations to the young couple.

Petaluma Votes \$250,000 Bonds and Elects Steve Akers

PETALUMA, June 14.—By a close margin of 36 votes, the \$250,000 bond issue for acquisition of property, and building of a new school and purchase of equipment, was carried by the voters today at the regular city election. Mead O. Torr, present police judge, lost his position to Fred F. Plank. Torr received 133 votes and Plank 373. Steve Akers was re-elected superintendent of streets, defeating M. H. Fredericks. Councilmen J. Edgar Allen, H. S. McCargher and W. C. Stradling were re-elected, defeating E. F. Adams and George Van Bohmer, who sought seats on the council. A light vote was cast.

AMERICAN LEGION BENEFIT COMING EVENT AT BOYES

Valley of the Moon Post No. 120 to Give Entertainment and Dance on June 29th.

The local Valley of the Moon Post No. 120, American Legion, have engaged the Boyes Springs theatre for Wednesday night, June 29th, for the benefit of the local post. Jack London's exciting story, "The Mutiny of the Elsinore," will be the screen attraction, in conjunction with some clever vaudeville acts by local and out-of-town talent. As this is the first legion affair of the season to be given by our boys, a large crowd will be present. Dancing to Wilson's irresistible jazz orchestra will complete the evening's program.

CHAMBER OF COMMERCE FAVORS COUNTY LIBRARY

The Valley of the Moon Chamber of Commerce held a spirited meeting Thursday night at Boyes Springs. Representatives sent to Santa Rosa refused of the supervisors to make an appropriation for the county library. "Mayor" Minges and Geo. Darling denounced their action in pointed language.

The Chamber went on record for the retention of the County Farm Bureau and instructed the secretary to wire the supervisors, asking that the farm adviser be retained.

The earnest discussion of the garbage disposal problem at the springs and elsewhere shows that Sonoma valley is growing so fast that it has real problems like this to solve. It was decided to communicate with the county health officer and the League of Municipalities to find out how other communities are taking care of their garbage.

The carnival committee reported progress as to the three big days' celebration, July 29, 30 and 31.

Registering Aliens for Poll Tax

SANTA ROSA, June 10.—Acting under the provisions of the alien poll tax law, which was passed by the recent legislature and has gone into effect, County Clerk W. W. Felt is engaged in naming deputy county clerks in each school district of the county for the purpose of registering alien residents. All alien male inhabitants of the city and county between the ages of 21 and 60 must present themselves to the proper authority and register on or before July 21, as they did during world war days. The annual tax collected by the county assessor in August is \$10 each and the amount collected goes into the unapportioned school funds, minus the cost of registration and collection. The deputy county clerk appointed to register aliens receives 10 cents per name and the assessor's deputy who collects receives a per diem not to exceed 15 per cent of the amount collected. Each person who registers is required to carry his registration card at all times, and also his tax receipt, the same as draft registrants were obliged to do during the war. Those failing to register or who violate the provisions of the act are subject to arrest and heavy penalties.

Don't forget June 20th. Clean Up and Paint Up Day. Do your bit.

POPULAR COUPLE ARE WED IN SAN DIEGO

Shirley Weise Claims Miss Myrtle Minkel As His Bride at Quiet Wedding Down South.

At a quiet but pretty ceremony in San Luis, where his fiancée was teaching school, Shirley Weise, son of Mr. and Mrs. J. H. Weise of Glen Ellen, claimed as his bride Miss Myrtle Minkel. Cards announcing the happy event were received this week. The young couple have been enjoying a motor honeymoon in San Diego and are to return here to make their home on the beautiful Weise ranch overlooking the Valley of the Moon. Mrs. Shirley Weise is a charming and talented young woman, a vocalist of popularity which has won her friends everywhere. She is the daughter of Mr. and Mrs. W. Minkel of El Verano and sister of Miss Marie Minkel of San Francisco.

The groom is prominent in fraternal circles, an Elk and Native Son. He is a successful young farmer. He served in the army during the war and since that time has devoted himself to agriculture.

Has Gone East

Miss Edith M. Pooley, the piano teacher, left her Mill Valley home Wednesday with friends for an extended trip throughout the Eastern States. The trip will include New York, Boston, Washington, Buffalo, Yellowstone Park and Portland, Oregon.

Miss Pooley has a nice piano class in Sonoma and both teacher and pupils have worked earnestly and faithfully the past year and will not resume work again until the month of August.

Voting Bonds for a High School

THE VOTERS of Sonoma valley will go to the polls on the fifth of July to register their sentiment on the important question of voting bonds for the new \$115,000 Sonoma Valley Union High School. Our high school is an institution where more young people are availing themselves of the educational opportunities than can now be accommodated. Not only are the present conditions overcrowding making necessary a larger school, but we must take care of future growth and provide for it. We have evidence here in Sonoma, where our grammar school, believed when built to be far too large, is now so well filled that a primary room must be fitted up in the basement by next term.

We may find fault with the high school curriculum and criticize the necessity of many teachers for which the modern educational program is responsible. We may have little faith in gymnastics and physical education, but the fact remains that all high schools must be conducted according to the requirements of the state and the prescribed work carried out. Sonoma valley's vehicle for carrying out this work is totally inadequate. The expense for the teaching force and other expenses of administration will continue just as long as we have a high school, and Sonoma must have a high school or get off the map. We cannot keep families here or interest home seekers unless we can take care of the education of boys and girls out of grammar schools and for whom we must provide the further education required by the state. Education, up to a certain age, is compulsory. Sonoma valley's worst reactionaries cannot get away from that. It's ultra conservatives must face the situation and make provision for our increasing population.

After we have come through with the money that the state requires us to spend to educate, what then? We realize that Sonoma valley, beyond that point, has sought to economize. But have we succeeded? Absolutely, NO! We have patched and turned and added and gone through all the motions of economy, but with the bills before us it is plain that it has cost us a pretty penny. The "economy" is not yet finished. The digging up is not over by any means and we have nothing to show for our money but a dingy, unsanitary, cold, crowded, unsightly monument to our citizenship, which spells stagnation and attests poor business sagacity.

The wide-awake citizen, with realization of the economic advantage of a fine modern school building knows we are casting a dark shadow on Sonoma's future as long as we permit the old plant to stand. It blocks progress. It shuts out growth and stops no leaks. On the other hand, it is causing big leaks in the pockets of the taxpayers.

Since we have to put up money to maintain a high school and a big teaching force and so many departments, no matter what sort of a building it is in, let us have our high school in quarters that will be an asset to the community, will attract home seekers and put us in line with the progressive communities of the state. Now we are paying, paying dearly to keep up an eyesore. Yet some still have the foolish notion that they are apostles of economy because they are willing to put up with the present obsolete plant. Community growth demands the expansion for which the new building provides. Community pride dictates that we build in accordance with modern standards set forth by the school architect specialist who drew our plans.

The school's trustees, all men of conservative ideas and good business judgment, have gone into the financial side as it will affect the taxpayers and have figures to justify their assurance that the new building will cost the community little, if anything, more than the present one. With a forty-year bond these who come after us will be carrying a great deal of the indebtedness.

If we could get away from maintaining a high school as required by the state we might run a high school that might come nearer the idea of many of us of what a high school should be, but since we cannot and perhaps are egotistical in even wanting to do so, let us progress.

For many years we have been running Sonoma on the theory that we were economical, and as a result we run so far in the rear of other live communities that it is still a question if we will ever catch up. Our new streets will do a lot to speed up progress, and the bonding for the splendid new proposed high school building on Broadway will be another step forward. Let us profit by the experience of the successful communities of the state and give Sonoma valley one of the advantages it merits.

SANTA ROSA'S policewoman is out again with a published report to justify her salary. This time she sent children home from the circus and stopped girls from talking to circus men. Too bad the circus didn't offer her a job.

THE psychologist who is going to talk on "The Causes of Certain Common Faults in Children" is very liable to get in wrong with parents who can't see any faults at all in their little darlings.

THE NEW supervising federal prohibition agent for the Pacific Coast has the name of Exnicus. Sounds Greek to us, but as the prohibition laws seem to be Greek to almost everybody it's quite appropriate.

WITHOUT going into the merits of the closed or open shop, we will say that there is too much of a tendency to close everything nowadays. You can't even get an "eye opener" any more.

"CALIFORNIA" will collect the largest state tax in history." Yes, and that is not the worst of it—the tragedy is how it is spent.

AL McCABE'S office seems to be the source of all successful politicians. He is evidently running a job insurance office.

SONOMA DENTIST LEAVES FOR BROADER FIELDS

Dr. H. Barnett, who has been practicing dentistry in Sonoma for the past year and a half, will leave for San Francisco about July first to avail himself of a splendid opportunity in his profession. The young dentist is to conduct the clinic at the Children's Hospital and Affiliated Colleges various mornings of each week and is to have an office for his private practice in one of the Union Square office buildings, during the afternoons. The clinic will give him wide experience and opportunity for much study and the equipment provided for the work is the very latest and finest. Dr. Barnett is a graduate of the University of California and has made a splendid success of his profession. He has made many friends since coming to Sonoma, both socially and professionally, and he will be missed by the community.

The office on Broadway will be turned over to a new man and Dr. Barnett assures his patients that he will choose some one eminently qualified to take care of their dental work.

COMING BOND ELECTION BROUGHT HIM TO TOWN

W. W. Hill of Bennett valley was in town Thursday to get data on the coming bond election for the new high school. Mr. Hill is quite a politician and gave it as his opinion that under the new ten-mile radius for high school districts that Los Guillicos should be in the Sonoma Valley Union High School. Hill is a resident of Enterprise district and thinks that the polling places for the election on the 5th of July should be in the several school districts instead of at the high school here.

Hill interviewed many well-informed taxpayers on the advisability of voting bonds for a new high school and when told that he was lucky to be in a district whose high school tax was and still would be the second lowest in Sonoma county, admitted that he could not be affiliated with a better district.

The enterprising Enterprise man will report to the folks in his section the information he gathered while here.

Representative of Sonoma Farm Center

R. Specht represented the Sonoma Farm Center at the county library hearing before the supervisors this week.

Mr. McAllister, well-known poultryman, appeared before the board at the hearing on the continuation of support for the farm adviser's office. He was named by the local farm center at the last meeting.

TO OUR VOTERS

The trustees of the Sonoma Valley Union High School have definitely decided on a type of building if bonds are at first presented to them, which consisted of two separate buildings, has been rejected after careful study. The new type is a two-story concrete building. It will have a frontage of 180 feet and the central part will have a depth of 137 feet. This allows 60 feet on each side and in front of the present site for lawns, etc. The present grammar school building is 47 feet from the sidewalk.

The building will contain seven class rooms, drawing room, two laboratories, science lecture room, two commercial rooms, study hall, library, administration rooms, and a large auditorium. The auditorium will accommodate every community activity, as well as the classes in physical education, now required by the state law. It contains an ample stage.

The new type allows for more class rooms. The danger in the former plan was that the building would be filled up in too short a time. There is now ample room for expansion without being excessively large. The class rooms, study hall, laboratories and auditorium are all planned so that with the growth of the school they can continue to permit the fullest service. The present plant, besides being so utterly dilapidated and in decay, contains rooms all of which are too small for their purpose, except one. The new building contains all standard size rooms. The only way in which the new building could be outgrown would be in the number of class rooms, and it would be merely necessary to add class rooms, which would be a simple matter.

Napa has voted \$600,000 in bonds very recently for good schools, Petaluma has just voted \$250,000 for a new school and they already have a beautiful high school building. We are between them both, our closest neighbors. All the other towns in this county and our neighbor county already have or are planning good schools. Our chagrin and shame at our present building will be all the deeper now. Our neighbors will look upon us with the utmost contempt if we do not now resolve to keep up with them in the ever forward march of education.

The election is on July 5th. Remember the date. The only polling place is the high school at Sonoma. This was done on the advice of the District attorney's office on account of technical difficulties in conducting ten polling places in so important a matter.

There are ten elementary school districts which vote on the school bonds: Enterprise, Dunbar, Glen Ellen, El Verano, Flowery, Watnaugh, San Luis, Huichica, Tale Vista and Sonoma.

The bonds run for forty years and the building will stand up for one hundred years. The grandchildren of many of us will help to pay for this building and they properly should so help for it will serve to educate them. What the average taxpayer will pay now will be small. It will undoubtedly be more if bonds are not voted now and temporary improvements are undertaken, only to be compelled to build by the very pressure of circumstances two or three years hence.

B. P. O. E. To Build in Santa Rosa

At a meeting of the Santa Rosa Elks lodge last week preliminary plans were made for the erection of a four-story concrete building on their property at Fourth and A streets. In addition to this they have taken an option from the Bane estate company on another lot extending all the way to Fifth street. It is planned to have the first floor on the Fourth street side arranged for business, while the Fifth street side will be devoted to a gymnasium, swimming tank, bowling alleys, etc. The second floor will be used for lodge quarters, so arranged that practically the entire area can be thrown open into a huge auditorium. The third floor will be devoted to rooms for members, while it is planned to build a hospital on the fourth floor. If the hospital is included the entrance will be on Fifth street and the entrance to the Elks quarters will be on A street. The plans include a ball room and banquet hall, library and reading room together, with all the other requisites of the finest club. Seven candidates were elected to membership.

ROBELEY HARBORT HAS GONE TO FLORIDA TO VISIT PARENTS

Robeley Harbort, grandson of Mrs. Kate Buchanan, has gone to Florida to visit his parents. He has not seen his parents for nine years and a joyous meeting is contemplated. His mother and little sister Janice will be waiting for him, too, and no doubt will be surprised to see what a fine, manly little fellow the Sonoma boy scout has grown to be.

Robeley left San Francisco for the south last Sunday night, accompanied by Mr. and Mrs. Arthur Fisk (Marjorie Buchanan). The Fisks will visit for a day or two at the Harbort home and then return to California. Robeley will remain for the summer and will no doubt enjoy his outing, for, besides the reunion with his family, will be the pleasure of exploring a big new outdoors with his father, who is assistant superintendent of the Burton-Schwartz lumber company at Carbur, in the woods. His little sister will be home from the convent at St. Augustine, too, so Robeley will certainly enjoy his visit, despite the fact that he hates to be parted from his grandmother, who has been his constant companion and counselor for so many years. Mrs. Buchanan accompanied him to San Francisco and saw him off on the Sunset Limited.

The Boy Scouts of Sonoma gave their popular member and friend a farewell party Friday evening of last week. Fourteen boys and their Scout Master, Rev. Burchett, were present and enjoyed a fine evening at the Buchanan home, complimentary to the young traveler who was wished a pleasant journey and safe return.

HAD ENJOYABLE TRIP GOING TO CANADA

Word received from J. J. Dunbar and family, who left Sonoma the last of May for a visit in Canada, is to the effect that the voyage to Vancouver was delightful, the water smooth and no one sea sick. While there is still considerable snow visible on the mountains the weather has been splendid. Mr. Dunbar writes, and the trip has been thoroughly enjoyable. The well-known business man will be gone several months, his plumbing business meanwhile being conducted by Mr. Fisher, who is keeping quite busy and says "business is good."

TIRES AND TUBES CHEAPER!

READ!
Letter No. 3

Dear Sir:
Goodyear Tire prices have been substantially reduced.

These reductions are in keeping with the general readjustment conditions, and include both Cord and Fabric Tires, as well as Goodyear Tubes.

Coming as it does at this time, these lowered Goodyear Tire prices should prove welcome news to you. It gives you the opportunity to secure Goodyear Tires for your car at prices which are considerably lower than heretofore, and enable you to joy the full measure of Goodyear Tire satisfaction.

We have your size in stock—and a Goodyear Heavy Tourist Tube to match.

Very truly yours,
Adv. **BUSBY & COATES.**

CONGRESSMAN LEA CONTINUES AID TO GROWERS

Government purchase of the Oakville, Napa county, and Fresno experimental vineyards, so much desired by the California grape growers, has been practically assured by the action of the House Wednesday in agreeing to the appropriation of \$27,500 for the purchase. It is not believed the Senate will make any objection to the item. News of the action of the House was received in a telegram from Congressman Clarence F. Lea, who is aiding in the fight for the purchase of the properties.

Hop Men Protest New "Dry" Action

Hop growers of Sonoma county sent telegrams Thursday to Congressman Clarence F. Lea, and through him to Congress generally, protesting against the proposed amendment to the Volstead act which would put a ban on the making of beer for medicinal purposes. Such an amendment, the hop growers contend, would jeopardize the hop growing industry. Attention was called to the fact that in this state alone there are 14,000 acres of hops and the industry is worth millions of dollars. The growers had hopes that there would be no further interference with their industry, which already has been hit hard by prohibition.

Mrs. Scott wife of an army officer and having a cottage in the vicinity of Feters Springs, was bitten by a scorpion one day this week while handling some old wood. Dr. Hays was summoned and treated her for the poisonous sting.

American ships, flying the Stars and Stripes will carry you and your goods anywhere

Two and three generations ago, the Stars and Stripes were all over the world. Then they almost vanished from the seven seas. But today they are back again.

Big splendid steamers, American owned and operated, carrying passengers and goods, are crowding their way into all foreign harbors with the Stars and Stripes proudly fluttering from their masts.

American exporters, importers, travelers—all can help by shipping and sailing under the Stars and Stripes.

Certain-teed Paint Protects Surfaces Longer

WHEN you use Certain-teed Paint you can be sure that it will last long and protect the surfaces which it covers.

Certain-teed also covers more surface per gallon. It hides the surface with fewer coats. It retains its beauty and color for a longer period of time.

These unusual values result from the excellence of the materials used in Certain-teed and the care and thoroughness of their preparation.

In other words you get from Certain-teed the service which only highest quality paint gives. Certain-teed means, "Certainty of Quality—Guaranteed Satisfaction." The name is a guarantee of both.

Be sure of satisfactory results from your Spring painting by getting Certain-teed from us. Certain-teed led in price reductions. We are now selling this paint at pre-war prices.

Bob Sharrock Discovers Young Swimmer of Promise

Bob Sharrock, the famous international water polo player, has discovered a youthful swimmer who has promise of breaking some of the Pacific Coast records within the next few seasons. Sharrock's new "find" is Warren Schell, a nephew of Mrs. Fred Schell, a 10-year-old youngster with a natural ability for the aquatic sport that he believes will develop into one of the greatest paddlers of the coast.

Ben Pinder and party, including Mrs. Lundy and Miss Marie Snyder, motored to Willets and Ukiah this week.

A. Schweighardt, the pioneer Sonoma baker, who has been in failing health for some time past, is reported very low at the Marcy home on Broadway.

SCHOOL BOND ELECTION NOTICE

Notice is hereby given to the qualified electors of Sonoma Valley Union High School District of the County of Sonoma, State of California, that in accordance with the provisions of the Political Code of the State of California, an election will be held on the 5th day of July, 1921, at the High School in said district, between the hours of 8 o'clock A. M. and 6 o'clock P. M., during which period and between which hours the polls shall remain open, at which election the question of issuing and selling bonds for said district to the amount of One Hundred and Fifteen Thousand (\$15,000.00) Dollars, for the purpose of raising money for purchasing high school buildings, for building high school buildings, for supplying high school buildings with furniture and necessary apparatus, and for improving the high school grounds will be voted upon.

The said bonds hereunder to be issued and sold, shall be of the denomination of ONE THOUSAND DOLLARS each, and shall bear interest at the rate of six per cent per annum, payable semi-annually, and shall be numbered from 1 to 15 consecutively, payable as follows:

Bonds Nos. 1 and 2, each for One Thousand Dollars to run one year.
Bonds Nos. 3 and 4, each for One Thousand Dollars to run two years.
Bonds Nos. 5 and 6, each for One Thousand Dollars to run three years.
Bonds Nos. 7 and 8, each for One Thousand Dollars to run four years.
Bonds Nos. 9 and 10, each for One Thousand Dollars to run five years.
Bonds Nos. 11, 12 and 13, each for One Thousand Dollars to run six years.
Bonds Nos. 14, 15 and 16, each for One Thousand Dollars to run seven years.
Bonds Nos. 17, 18 and 19, each for One Thousand Dollars to run eight years.
Bonds Nos. 20, 21 and 22, each for One Thousand Dollars to run nine years.
Bonds Nos. 23, 24 and 25, each for One Thousand Dollars to run ten years.
Bonds Nos. 26, 27 and 28, each for One Thousand Dollars to run eleven years.
Bonds Nos. 29, 30 and 31, each for One Thousand Dollars to run twelve years.
Bonds Nos. 32, 33 and 34, each for One Thousand Dollars to run thirteen years.
Bonds Nos. 35, 36 and 37, each for One Thousand Dollars to run fourteen years.
Bonds Nos. 38, 39 and 40, each for One Thousand Dollars to run fifteen years.
Bonds Nos. 41, 42 and 43, each for One Thousand Dollars to run sixteen years.
Bonds Nos. 44, 45 and 46, each for One Thousand Dollars to run seventeen years.
Bonds Nos. 47, 48 and 49, each for One Thousand Dollars to run eighteen years.
Bonds Nos. 50, 51 and 52, each for One Thousand Dollars to run nineteen years.
Bonds Nos. 53, 54 and 55, each for One Thousand Dollars to run twenty years.
Bonds Nos. 56, 57 and 58, each for One Thousand Dollars to run twenty-one years.
Bonds Nos. 59, 60 and 61, each for One Thousand Dollars to run twenty-two years.
Bonds Nos. 62, 63 and 64, each for One Thousand Dollars to run twenty-three years.
Bonds Nos. 65, 66 and 67, each for One Thousand Dollars to run twenty-four years.
Bonds Nos. 68, 69 and 70, each for One Thousand Dollars to run twenty-five years.
Bonds Nos. 71, 72 and 73, each for One Thousand Dollars to run twenty-six years.
Bonds Nos. 74, 75 and 76, each for One Thousand Dollars to run twenty-seven years.
Bonds Nos. 77, 78 and 79, each for One Thousand Dollars to run twenty-eight years.
Bonds Nos. 80, 81 and 82, each for One Thousand Dollars to run twenty-nine years.
Bonds Nos. 83, 84 and 85, each for One Thousand Dollars to run thirty years.
Bonds Nos. 86, 87 and 88, each for One Thousand Dollars to run thirty-one years.
Bonds Nos. 89, 90 and 91, each for One Thousand Dollars to run thirty-two years.
Bonds Nos. 92, 93 and 94, each for One Thousand Dollars to run thirty-three years.
Bonds Nos. 95, 96 and 97, each for One Thousand Dollars to run thirty-four years.
Bonds Nos. 98, 99 and 100, each for One Thousand Dollars to run thirty-five years.
Bonds Nos. 101, 102 and 103, each for One Thousand Dollars to run thirty-six years.
Bonds Nos. 104, 105 and 106, each for One Thousand Dollars to run thirty-seven years.
Bonds Nos. 107, 108 and 109, each for One Thousand Dollars to run thirty-eight years.
Bonds Nos. 110, 111 and 112, each for One Thousand Dollars to run thirty-nine years.
Bonds Nos. 113, 114 and 115, each for One Thousand Dollars to run forty years.

That Jesse F. Prestwood will act as inspector and Ralph O. Hotz and Richard C. Specht will act as Judges of said election, and conduct the same, said inspectors and Judges being competent and qualified electors of said High School District.

WITNESSED FLAG RAISING ON HISTORIC FLAG POLE

Harry Spears, president of the Golden Gate Ferry Company, accompanied by Miss Madge De Witt and Mr. and Mrs. C. W. Leonard, were in Sonoma on Flag Day and were present when Mayor Dal Poggetto raised the flag on the historic pole where, in 1846, was raised the Bear Flag, crude emblem and forerunner of California's entrance into the Union.

Miss De Witt, one of American's great operatic stars, is the guest of the Leonards and made a real ceremony of our flag raising on the plaza by singing "The Star Spangled Banner" as Old Glory was flung to the breeze. The select audience present enjoyed a rare treat.

June Fires As Reported by the Boyes Springs Volunteer Fire Department

The following June fires, which might have resulted in serious and widespread damage but for the prompt response of the Boyes Springs Volunteer Fire Department and the chemical engines, have been reported thus far:

Saturday, June 4, 1:30 p.m.—Grass fire, Boyes Springs grounds. No damage.

Saturday, June 4, 5 p.m.—Caliente Villa hotel, roof fire. Loss small.

Monday, June 6, 9:30 a.m.—Grass fire, Sloanes residence, Sonoma Vista tract. No damage.

Tuesday, June 7, 7:45 p.m.—Brush fire at Sonoma Vista. No damage.

Thursday, June 9—Hay field fire, Waller ranch. Damage not estimated.

Mrs. M. Chase of the Chase restaurant went to San Francisco to attend the grand parlor of the Native Daughters. She is the delegate from Sonoma parlor.

NOTICE TO CREDITORS

Estate of Marcellin Vigne, deceased.

Notice is hereby given by the undersigned, Eugene Vigne, executor of the will and estate of Marcellin Vigne, deceased, to the creditors of, and all persons having claims against the said deceased, to exhibit them, with the necessary vouchers, within ten months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of Sonoma, or to exhibit them, with the necessary vouchers, within ten months after the first publication of this notice, in the office of the said executor at the law office of Robert A. Poppe, on the east side of the plaza, in the City of Sonoma, County of Sonoma, State of California, the same being his place for the transaction of the business of said estate in the County of Sonoma, State of California.

EUGENE VIGNE,
Executor of the will and estate of Marcellin Vigne, deceased.
Dated at Sonoma, Cal., June 4th, 1921.

Robert A. Poppe, Attorney for Estate.
First publication, June 4th, 1921.

GRAND OPENING OF HANDSOME NEW RESORT

Friday night, the 24th, Parente's Tavern, Sonoma valley's handsome new resort, will be formally opened to the public. The new hotel, grill and cabaret dance floor have been completed, at a cost of over \$10,000.

The cuisine is in charge of a chef formerly from Tait's, San Francisco, and the orchestra, consisting of Toutjeau brothers, Francis Lercher and Cecil Townsend, are direct from the Black Cat, where they scored a big hit in jazzdom. Cabaret and entertainment, with dancing on the maple surface while you dine, will be features at this up-to-date resort. See ad of grand opening.

McGill Brothers Service Station

The service station and refreshment stand at the cross roads of the Napa and Sonoma highway in Schellville, is now in operation by the genial owners, the McGill brothers. Messrs. Frank and George McGill, popular native sons and well known throughout the valley, are meeting with success from the outset with their venture. They are assisted by Stanley McGill, bright son of Frank, who is conducting the refreshment stand. The design of the new service station is artistic, and motorists will find the McGill service the best to be had anywhere.

Miss Ida Caccia underwent an operation on her tonsils at Crane's this week.

NOTICE TO THE PUBLIC

On and after June 1st, 1921, I will not be responsible for any bills contracted by the business and property known as Steve's Grill, Boyes Springs. All bills owing to me can be paid on the premises and all bills contracted by me will be paid on presentation.

Signed, STEVE ANAZITOS

In the Superior Court in and for the County of Sonoma, State of California.

In the Matter of the Estate of Ernest Jacobson, also known as Ernest Jacobson, Deceased.

Notice is hereby given that Monday, the 27th day of June, A.D. 1921, at 10 o'clock a.m. of said day, and the court room of said Superior Court, in Department Two thereof, in the City of Santa Rosa, County of Sonoma, State of California, is hereby fixed and appointed as the time and place for proving the Will of said Ernest Jacobson, also known as Ernest Jacobson, deceased; and for the hearing by the Court of the application of Emma Jacobson for the issuance of her Letters of Administration with Will Annexed thereon.

Dated June 6th, A.D. 1921.

W. W. FELT, JR.,
County Clerk.

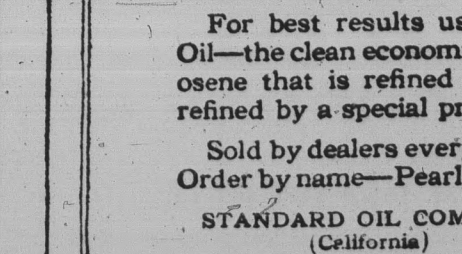

By John Burroughs, Deputy Clerk.
R. A. Poppe, Esp., Attorney for Petitioner.

Which are you?

Is your kitchen uncomfortably warm—and does it require constant effort to keep it clean and tidy?

Or are you one of the thousands of happy women who delight to work in a cool, shining kitchen—with a good oil cookstove?

A good oil cookstove is easy to operate—brings a steady intense heat concentrated directly on the cooking.

For best results use Pearl Oil—the clean economical kerosene that is refined and re-refined by a special process.

Sold by dealers everywhere. Order by name—Pearl Oil.

Studley Still On the Job

The following letter relative to the much needed improvement of the piece of road along the Northwestern railroad track between Buena Vista and Vineburg shows O. A. Studley is still on the job. Mr. Studley has been making an earnest fight to get this stretch of road fixed. It is claimed that the N. W. P. railroad agreed to keep it in good condition when given certain rights of way there. The district attorney has called the attention of the railroad commission to it and writes Studley as follows:

Santa Rosa, Cal., June 14, 1921.
Mr. O. A. Studley, R. F. D., Sonoma, Cal.

Dear Sir:

I have just received a reply from the railroad commission in which they state as follows:

"We have your letter of June 9 1921, in the matter of maintenance by the Northwestern Pacific Railroad company of certain roads in the old pueblo of Sonoma."

"We will investigate this matter and write you again later."

It appears that they are at least willing to investigate the matter and will report later as to what they deem advisable in the matter. We will have to wait patiently for their action in the matter.

Awaiting your further pleasure, I remain,

Sincerely yours,

G. W. HOYLE,

Ted Whitlow, who went to Arizona for his health some time ago, has been very ill in a hospital there. His wife, formerly Dorothy McFarlane, who had studied to be a nurse, has a position there. Their little son returned to San Francisco with his uncle and is being cared for by the Whitlow family.

Mr. and Mrs. A. Callound, formerly of Buena Vista Castle but now residing in San Rafael, are enjoying a motor trip down south. Mr. and Mrs. Rodney Prestwood stopped off at the Summit Hotel enroute to Tahoe.

Pohn brothers, owners of the former L. L. Lewis ranch, have converted the place into a high class dairy ranch. The old stone winery is a modern dairy barn, with cement floor and every sanitary arrangement. They have a fine herd of Holsteins. Poultry raising has also been brought to a high state of perfection on this farm. The owners raised 98 per cent of baby chicks purchased this season.

Mr. M. Bianchini, who was operator upon by Dr. Thomson for appendicitis, is now out and around.

MODERN CRANKCASE CLEANING SERVICE

for better operation and longer engine life

STANDARD OIL COMPANY (California)

ROAD DUST, carbon, fine metal particles and other impurities accumulate in your crankcase oil from engine operation.

The gritty oil circulates through your engine, impairing its performance, and ultimately leads to rapid depreciation and repairs.

Automobile manufacturers recognize this danger, and in their Instruction Books, carefully advise regular draining and flushing of the crankcase.

These important instructions are often disregarded; cleaning the crankcase is a job generally disliked.

To meet this need, Modern Crankcase Cleaning Service has been established by first-class garages and other dealers, co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil, the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used.

The cleaned crankcase is refilled with the proper grade of Zerolene.

SUPPLEMENT SONOMA INDEX-TRIBUNE

SONOMA, CALIFORNIA, JUNE 18, 1921

SONOMA FORGES AHEAD WITH IMPROVEMENTS

The streets of town were plowed up this week and teams and men have been busy doing the preliminary work for the new paving, for which Sonoma is expending \$52,500.

The plaza has been the scene of considerable activity this week and is much improved in appearance since the Business Men's Association put 7 men and a team to work cutting down grass, cleaning walks, trimming trees, etc. The grounds around the library are to be put into lawn and more improvements will follow.

The state has a force of men repairing and restoring the old mission on Spain street

Sonoma is awake!

SIX-ROOM HOUSE IN BENNETT VALLEY DESTROYED

A fire, whose origin is unknown, destroyed the six-room residence of Mrs. Barbari in Bennett valley Wednesday. The Boyes fire department was summoned, but it was a long run and by the time the fire ladders located the out-of-the-way location of the blaze the fire was beyond control.

Mr and Mrs. Archie Gale of Winters are rejoicing in the arrival of a little son. Mrs. Gale's mother, Mrs. Nick Dowdell, is with the family in Winters.

Mr. and Mrs. Leslie McKinnon and children are at the Dowdell ranch and will remain for some time, Mr. McKinnon having been able to get his first vacation in two years. He has been employed at the Bay Point ship yards since his return from overseas.

The remains of the late Isador Moscowitz, who died in France while fighting for the U. S. A. were received in San Francisco on Flag Day for services and interment. The mother and sister from here went down for the last mark of honor to be paid the young hero of the world war.

The London ranch, at Glen Ellen is continuing to add to its fine herds. Having sold off some stock last week Mrs. Shepard now plans to add to the select stock on hand and will go to Hollister shortly to purchase some of the prize stock of the Pajaro valley.

Mrs. Ben Behler of Glen Ellen, and little baby girl, left Crane's sanitarium yesterday for home. Mother and babe have been doing nicely under the care of Dr. Thomson.

Mrs. W. B. Hays and Mrs. H. F. Bates went to San Rafael Monday to attend the luncheon and bridge party given at the Hotel Rafael by Mrs. Frank Phillips of Petaluma.

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

LIFE BUOYS INSTALLED AT SPRINGS REPORTS CORONER

Coroner and Public Administrator Frank Phillips and Sheriff John Boyes are well pleased with the splendid co-operation given them by the springs of Sonoma valley in the life-saving requirements of the state. An inspection of the swimming tanks and baths at Boyes, Fellers and Caliente revealed the fact that all were equipped with the life buoys.

The coroner reports that the Russian river resorts have put in life-saving devices also. The vigilant county official is deeply interested in averting the tragedies which mar so many summer vacations and is doing all he can to make Sonoma county 100 per cent safe for recreationists at the resorts.

BANK'S GROWTH MAKES BIGGER VAULT NECESSARY

The Sonoma Valley bank's remarkable and steady growth now necessitates a larger vault and as a result a substantial addition is being made to take care of the big business carried on by the Burris institution.

A corps of workers is busy building the new vault while business is going on as usual before and behind the busy windows presided over by R. E. Perkins, H. Weber Jr. and the rest of the efficient staff.

Card of Thanks

I sincerely thank everybody who attended my entertainment on the 11th of June, and especially those whose names were on the program and helped me in decorating the auditorium. I also thank the principal of the grammar school, Mr. Prestwood.

Taking into consideration the fact that the expenses were far greater than the receipts, I very much regret being unable to donate anything to any charity fund, as intended by me.

TAMARA LAWB.

WARNING!

It is against the law to burn any rubbish or grass before 7:00 a.m. or after 12:00 a.m., and a permit to do so must be had from the Fire Warden or the nearest Fire Chief. Any one breaking this law will be arrested.

JAMES BAINES, Fire Warden.

W. B. CAUSE, Chief B.S.V.F.D.

A Correction

The daughters of the late Margaret Gough wish to have corrected the report that their mother was insane. She suffered a stroke of apoplexy.

Card of Thanks

Sonoma, Cal., June 16, 1921.

I thank the fire department and all my friends for the efficient help they gave me at the fire on my place on South Broadway today and hope to return the favor in some way at some time. Sincerely,

W. H. HALL.

Little Phyllis Fisk of Pacific Grove is visiting her grandmother here during the absence of her parents in Florida.

Miss Carole Felder, a teacher in Heald's Business College, was up Sunday visiting her parents, Mr and Mrs. Joseph Felder.

Mrs Keiser and son Theo are expecting a visit from Mrs Will Cummings of Eureka shortly

Will Perry received his honorable discharge from the U S. army at San Diego last Saturday, having completed his four-years service. Will was one of the first to volunteer when war was declared and is now returning home. He has been serving on the U. S. S. Charlestown, flagship of the Pacific destroyer force.

Supervisor Fred Lowell is improving the bridges in this vicinity by having them repainted. Sonoma artisans are doing the work, too.

Axel Sodenberg of the U. S. navy arrived in town this week for a visit with his folks. He is a brother of Mrs. Frank Knolle and has been in the service of Uncle Sam for several years past.

Mr. and Mrs. A. F. Hopke were visitors to San Francisco Saturday last.

Your Speed the Sharples Speed

Every member of the family turns the separator crank at a different rate. Your present separator loses a lot of cream when the speed drops below normal. This loss amounts to more than you realize.

No matter who turns the crank, fast or slow,

THE NEW SHARPLES SUCTION-FEED

Separator gets *all the cream all the time*. The bowl draws in just enough milk to insure clean skimming. More cream means more money—a new profit without added expense.

The Suction-feed has many other important advantages. The cream is always of the exact thickness desired. The capacity increases with the speed. The large supply can is but knee-high—easy to fill.

The bowl has only three parts and no disks. There's nothing that's heavy, clumsy or fussy to wash.

We want you to see this superb new machine. Come in and let us show you what it will do.
